

Certificate of Penetration Testing

This is to certify that

CRC Ore Ltd (ABN 67 143 549 508)

engaged Acumenis Pty Ltd to perform a penetration test of a cloned replica of

Integrated Extraction Simulator (IES) (<https://demo.iesim.biz>)

and within the agreed scope

No significant vulnerabilities were identified upon completion of remediation testing.

Test completion date: **8th October 2020**

The assessment has been performed by a qualified application security specialist in accordance with the Acumenis penetration testing methodology.

The assessment was conducted as a point-in-time evaluation of the security of the application and cannot guarantee the identification of all possible vulnerabilities.

Any changes to the application, its dependencies or underlying platform(s) may introduce vulnerabilities not present at the time of testing. Acumenis Pty Ltd makes no warranty or representations as to the future security of the application or its underlying platform(s). Re-testing is recommended by 8th October 2021, or prior to the release of changes that may alter the security of the application or underlying platform(s).
